To Her Majesty the Queen,

Let me introduce myself to you, my name is Hans Sommer, I live in the Netherlands, I'm 40 years old and my occupation is teacher at a primary school and I am the proud owner of one of world's best collections of *Bowmore Single Malt Scotch Whisky*.

Most obviously I would be more than interested to add the special Bowmore 1980 Distillation 700ml "Queens Cask" bottle to my collection. I would be more than happy to donate £ 500 to the Golden Jubilee Charity if I could get one of the (648) bottles to give it a special place in my Bowmore museum. I've heard about the forthcoming auctions where this bottle is going to be sold, but I cannot afford such amounts of money for a bottle, so I decided to write this letter to you to take another chance !!

I hope to receive a reply from Buckingham Palace very soon,

Thanks in advance, and kindest regards,
