

From: Vice-Admiral D. A. J. Blackburn, CB, LVO

BUCKINGHAM PALACE

21st January 2003

Seu Mr. Sommer,

The Queen has asked me to thank you for your letter about the "Queen's Cask" whisky.

I am afraid that it is not possible to make a bottle available to you, but I do of course understand why you would want to add a bottle of this special whisky to your distinguished collection.

Yours sincerely,
Jon Buckle

Master of the Household

Mr. Hans Sommer,
Lampongstraat 6,
